

# ELEPHANT *Whispers*

Experience the thrill of close encounters  
with six Majestic African Elephant...

HAZYVIEW | MPUMALANGA

For those seeking a unique and memorable wildlife encounter, an Elephant Interaction at Elephant Whispers is an enlightening, touching experience.

The six elephant welcome visitors to their herd, to share in their lives and experience their compassionate natures, their intelligence and the gentle relationship they have with their Handlers. The experience of feeling the elephant's constantly curious trunks, touching their rough skin, exchanging trunk greetings & learning about their behaviour will change and inspire you.
