VICTORIA FALLS – ZAMBIA

## Water Taxi

### WATER TAXI SERVICE TO ROYAL LIVINGSTONE HOTEL

Guests staying at the two hotels at the Minor Resort; the elegant Royal Livingstone Hotel and beautiful AVANI Resort, can be transported to their hotel in fabulous style; by river boat on the mighty Zambezi river.

The Water Taxi is the perfect introduction to the Zambezi, and Victoria Falls, and is a wonderful start to exploring all the exciting activities that Livingstone has to offer.

As part of the airport transfer to the hotels, guests are collected at Livingstone International Airport and transported by road to the Jetty at the Royal Landing, and their luggage delivered to the hotel by road. After a welcome drink, guests are whisked away by boat for a thrilling 10-minute trip downstream towards the mystical spray of the Victoria Falls. A wonderfully warm African welcome awaits guests on arrival at Royal Livingstone's spectacularly located Sun Deck. Guests staying at AVANI can hop onto a convenient shuttle from the Royal Livingstone hotel to AVANI Resort.
